Important Questions	Answers			Why This Matters:
What is the overall <u>deductible</u> ?		Network	Non-Network	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per participant:	\$1,250	\$3,000	
	Per family:	\$2,500	\$6,000	
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Network</u> preventive care services, <u>prescription drugs</u> , office visits, and other services which apply a <u>co-payment</u> .			This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>co-payment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.			You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?		Network	Non-Network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per participant:	\$5,000	\$10,000	
	Per family:	\$10,000	\$20,000	
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, charges in excess of benefit maximums, charges in excess of maximum allowed amounts, pre-certification penalties, and non-medically necessary services.			Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes: See www.anthem.com or call 1-877-324-3136 for a list of network providers.			This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network</u>

		<u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
